ABOUT

The TEAM project brings together world class higher education and research institutions as well as industrial partners in the field of Information and Communication Technologies. As an Erasmus Mundus Action 2 Programme, the TEAM partnership provides a platform for joint research and academic exchange by offering scholarships to talented junior and senior ICT researchers for a mobility in Europe or Japan and the Republic of Korea.

WHO CAN APPLY ?

Doctorates, Post-doctorates, Academic & Administrative Staff, who are:

- Nationals from Europe, Japan and the Republic of Korea
- Studying and/or doing research in the field of ICT
- Enrolled or employed by a partner university of the TEAM project.

THE TEAM SCHOLARSHIP OFFERS

- A unique chance for a research period at one of the TEAM partners in Europe or Japan and the Republic of Korea
- A monthly allowance, round trip ticket Europe and Japan/Republic of Korea, full insurance cover
- Duration and monthly allowance depending on type of mobility

HOW TO APPLY ?

You can apply to up to two academic offers by the TEAM partner universities via an online application tool.
